

BBQ & BLUES RULES & REGULATIONS

PIGZ IN Z'HILLS OFFICIAL WATER

The official bottled water of Pigz in Z'Hills is Nestle Waters - Zephyrhills Bottled Water. **All vendors, teams and volunteer groups are required to sell or provide only Zephyrhills Bottled Water products.**

ELECTRICAL AND WATER PROVISION

Vendors, if you have requested electrical hook-up please bring an extension cord of at least 100' in length. Electrical provisions are limited. Requests for electrical and water provision **MUST** be cleared in advance with organizer. Fees apply.

Alcohol Sales & Consumption Policy

No alcoholic beverages will be carried in by participants or by members of the public. The sale of alcoholic beverages is prohibited by any participant or vendor within the venue at any time. The organizer (Chamber of Commerce) is the exclusive licensed alcohol vendor on site and will sell beer and wine in designated area only. Photo ID will be required to purchase alcohol. No minor will be provided alcohol at any time. At the discretion of the ZPD and/or organizer any individual disrespecting the Alcohol Sales & Consumption Policy will be immediately escorted from the venue and disqualified from future participation in the event.

Waste Disposal

Participants are requested to respect the venue during and after the event and required to dispose of ALL trash or waste at your site before leaving. Please break down cardboard boxes before disposing of them. Large disposal bins are located at the northeast side of the venue and 50 gallon disposal cans will be placed throughout the venue. **We check sites for cleanliness after you have left, and sites with food, grease, ash or other debris will be noted as cause for disqualification from future events.**

Lost & Found

Please keep valuables in a safe place at all times. The Chamber of Commerce Information and Lost & Found Tent located near the Gate Entrance will hold items until the end of the day January 17th. Please turn in any items found to the Chamber tent, and check for any items lost at this location as well. After the 17th, call the chamber office at (813) 782-1913.

PETS

Sorry, no pets allowed at any time. Guide Dogs and Therapy Dogs are an exception and should be properly identified.

FIRE AND SAFETY REGULATIONS

The AHJ shall be permitted to regulate all outdoor events such as carnivals and fairs as it pertains to access for emergency vehicles; access to fire protection equipment; placement of stands, concession booths, and exhibits; and the control of hazardous conditions dangerous to life and property. NFPA 1, Section 10.16.2

Event coordinator(s) shall provide the vendors a checklist of what is expected of them at the event. However, individual vendors within the special event shall be held responsible for their individual vending space.

All Teams and Vendors will agree to abide by these fire & safety regulations. Those that do not comply with the guidelines of this checklist for their vending arrangement are subject to immediate denial within participation of the permitted event.

- _____ If tent is greater than 10 x 10, flame retardant certification is required. If multiple 10 x 10 tents are placed together to create one large space under canopy, than a flame Retardant certification shall be required on all tents.
- _____ No smoking signs must be placed outside entrances (tents 20' x 20' or greater)
- _____ If tent has sides, the sides shall be in the up position unless there is inclement weather, Then 2 sides must be in the up position.
- _____ Adjacent tents shall be spaced a minimum of five (5) feet to provide an area to be used As a means of emergency egress. If stake lines are used to secure the tent, than the five (5) Feet shall be measured from the stake line.
- _____ The ground enclosed by any tent and ground not less than 120" outside the tent shall Be cleared of all flammable or combustibile material or vegetation that is not used for Necessary support equipment.
- _____ If lighting is installed in tent, it shall be in the way that bulbs are not in direct contact With the tent. Bulb/lamp cages shall be used.
- _____ If power is supplied by generator, generator shall be a minimum of 5 feet from the tent and shall be isolated from contact with the public by either physical guards, fencing, or an enclosure. Fuel containers shall not be stored within close proximity of any ignition source.
- _____ Any extension cords used shall be placed or positioned to not cause a trip/fall hazard.
- _____ A minimum of one portable fire extinguisher with a rating of not less than 2-A:10-B:C

shall be provided if there is any type of ignition source present within or associated with the tent.

See Note at bottom

_____ If an LP (propane) tank is used by the vendor it shall be positioned outside the footprint of the tent.

If cooking is involved:

_____ A minimum of one Class K portable fire extinguisher shall be present at each concession stand that utilizes vegetable or animal grease cooking oils or any other process that produces grease laden vapors. (See note at bottom)

_____ Concession stands utilized for cooking shall have a minimum 10 ft (3 m) of clearance on two sides and shall not be located within 10 ft. (3 m) of amusement rides or devices.

_____ If cooking is taking place under **any** tent, a flame retardant certification is required.

_____ Any appliance used for cooking that utilizes a vent, that appliance shall be positioned to vent outside the tent.

_____ Cooking equipment used in fixed, mobile, or temporary concessions, such as trucks, buses, trailers, pavilions, tents, or any form of roofed enclosure, shall comply with this standard unless all or part of the installation is exempted by the AHJ. NFPA 1, Section 50.2.9

NOTE: State of Florida requires all extinguishers to be certified by an authorized and licensed fire extinguisher company

First Aid

Zephyrhills Fire Rescue Explorers will operate a First Aid station at the venue during the event. Please use this tent for basic first aid needs and report any other emergencies immediately by calling 911.
